50W LINEAR LIGHT

RNILP-6100

# No 25/1 Appavu nagar Extension, Opp. Chennish Mahal, Thalli road, Hosur. 635 109

## About this item

**REON LED 50W Suspended Linear light 4ft  
Cool White (RNIPL \_6100)**

**Technical Specifications – RNIPL 6100  
50W Suspended Linear light**

Table chart

| PARAMETER                    | SPECIFICATION                  |
|------------------------------|--------------------------------|
| Product Name                 | REON LED                       |
| Model Number                 | RNIPL-6100                     |
| Brand                        | REON LED                       |
| Wattage                      | 50W                            |
| Luminous Flux                | 5000 Lumens                    |
| Efficacy                     | 100 lm/W                       |
| Colour Temperature           | Cool White                     |
| Colour Rendering Index (CRI) | >80                            |
| Length                       | 4 Feet                         |
| Mounting Type                | Suspended                      |
| Suspension Kit               | Included                       |
| Input Voltage                | 220-240V AC                    |
| Surge                        | 6 KV                           |
| Frequency                    | 50/60 Hz                       |
| Power Supply Unit            | High-Efficiency PSU            |
| Body Material                | Extruded Aluminium             |
| Body Colour                  | White                          |
| IP Rating                    | IP20                           |
| Operating Temperature        | -10°C to +45°C                 |
| Installation                 | Easy to Install & Maintain     |
| Configuration                | Stand-alone / Continuous Run   |
| Application                  | Indoor Commercial & Industrial |
| Warranty                     | 2 Year Warranty                |
| Country of Origin            | India                          |

Upgrade your lighting with the REON LED Linear lights is an high-performance and energy-efficient lighting solution designed for **commercial, industrial, and retail spaces**. Built with REON **trusted LED technology**, this 4-foot linear light delivers **uniform, glare-free illumination** with long operational life and low maintenance.

Emitting **2500 lumens of bright Cool White light**, this fixture enhances visibility and productivity, making it ideal for **offices, showrooms, warehouses, corridors, supermarkets, and educational facilities**. The **extruded aluminium housing** ensures durability and excellent heat dissipation, while the **suspended mounting system** allows for quick and easy installation.
