Installation	Recessed Ceiling
Mountain	Recessed mounting box
Type	Square
Housing Material	ALUMMINIUM
Efficacy	>100 lm/W
LED Source Type	LED
Body Color	White (WH)
Life Class	25000 Hours
Warranty	2 Years warranty (On-site)
Efficacy	>100 lm/W
MATERIAL	CRCA
LUMEN OUPUT	4200 LUMENS
CUT OUT SIZE	600mmX600mm
SHAPE	SQUARE
SERVICEABILLITY	CLASS B
APPLICATON	INDOOR LIGHTING
DRIVER	FIXED CURRENT OUTPUT
IP RATING	IP20
MAINTENANCE	LOW /LONG LIFE LED

Upgrade your indoor lighting with the REON LED 48W 2x2 LED Panel Light, engineered for high-performance illumination and long-term energy savings. Designed for recessed mounting, this slim and efficient LED panel delivers cool white light (6500K), making it perfect for offices, retail spaces, hospitals, and other professional environments. Part of the Full Glow Generation 5 series, this advanced LED panel combines innovative multi-lumen and multicolor technology, allowing you to adjust both brightness and color temperature based on your needs. Built for indoor use, it supports InterAct Of 2/4 Wireless and Pro systems, and Tunable White capabilities for smart energy management and enhanced ambiance.

Key Features & Benefits:

- Model: RNIPL 61888

- Power Consumption: 48Watts - low energy usage, high performance
- Color Temperature: 6500K – Cool White for balanced, glare-free lighting
- Mounting Type: Recessed - perfect for false ceilings and modern interiors
- Panel Size: 2x2 feet - compact and elegant design
- Full Glow Design: Delivers smooth, uniform light with no dark spots
- Advanced Compatibility: Supports smart control systems like InterAct
- Long Lifespan & Low Maintenance: Ideal for high-usage environments
- Lumen Output: Optimized for general and task lighting
- Build Quality: Durable materials for lasting performance
- Application: Ideal for commercial spaces like offices, schools, hospitals, and conference rooms

Warning& Safety:

- Indoor Use Only: Not suitable for outdoor applications.
- Ensure proper installation by a qualified technician to maintain product longevity and safety.
